(b) Board Composition.

- i. There shall be fifteen (15) Directors, in order to encompass a diversity of experiential backgrounds. Directors shall be elected at meetings of the

Board as follows:

- ii. NFL Directors. Two (2) Directors shall be appointed by the Commissioner of the National Football League (the “NFL”). Amendments to these Bylaws shall ensure that the NFL retains at least two (2) Directors on the Board.
- iii. Athlete Directors. At least thirty-three percent (33%) of the Directors shall be athlete representatives and shall be directly elected to serve on the Board. The USAFB representative and alternate representative on the USOPC Team USA Athletes’ Commission shall serve as Athlete Directors as long as representatives meet the eligibility requirement determined by the US Center for SafeSport or the U.S. Anti-Doping Agency. At least 20% of Board voting members must be 10 Year athlete representatives. The remaining athlete representatives must either be 10 Year or 10 Year+ athlete representatives.
 - a. An Athlete Director who is a 10 Year Athlete at the time of their election shall remain a 10 Year Athlete for the purposes of calculating the percentage representation on the board for the full duration of their term as an Athlete Director, even if the athlete no longer meets the requirement at some point during their term (i.e., the athlete’s most recent qualifying competition ages beyond the ten-year mark during their term).
 - b. An Athlete Director elected as a 10 Year Athlete whose most recent qualifying competition was more than ten years prior shall not remain a 10 Year Athlete for the purposes of this requirement in a subsequent term if they continue to serve beyond the term where they were first elected as a 10 Year Athlete.

The Governance Committee shall select nominees to present to the full Board for election using appropriate processes that draw from the following constituencies in the discretion of the Board: from grass roots football organizations, from among individuals with significant football coaching or officiating, or playing experience, from the business community, and from among individuals with significant government-related experience.
- vi. Independent Director. At least 1 member of the Board shall be independent. The Board, through its Governance Committee, shall make a determination as to the independence of each Independent Director, and disclose those determinations. Under the definition of “Independence” adopted by the Board, an “Independent Director” shall be determined to have no material relationship with the Corporation, either directly or through an organization that has a material relationship with the Corporation. A relationship is "material" if, in the judgment of the Governance Committee, it would interfere with the Director's independent judgment. To assist it in determining whether a Director is independent, the Board shall adopt the guidelines set forth below, which shall be applied on a case-by-case basis by the Governance Committee. A Director shall not be considered independent if, within the preceding two years:
 - a. The Director was employed by or held any governance position (whether a paid or volunteer position) with the Corporation, the international federation of American football, the international

- regional sport entity of American football, or any sport family entity of American football;
- b. An immediate family member of the Director was employed by or held any governance position (whether a paid or volunteer position) with the Corporation, the USOPC, the international federation of football, any international, regional federation of football, or any sport family entity of football;
 - c. The Director was affiliated with or employed by the Corporation's outside auditor or outside counsel;
 - d. An immediate family member of the Director was affiliated with or employed by the Corporation's outside auditor or outside counsel as a partner, principal or manager;
 - e. The Director was a member of the Corporation's Athletes' Advisory Council (if any) or any constituent group with representation on the Board;
 - f. The Director receives any compensation from the Corporation, directly or indirectly;
 - g. The Director is an executive officer, controlling shareholder, or partner of a corporation, partnership, or other business entity that does business with the Corporation; or
 - h. The Director is/was the parent or close family member or coach of an athlete that has competed in a Designated Event; or
 - i. The Director is/was a member of the Corporation in a membership category that participates in a Designated Event; or
 - j. The Director was a member of the Corporation and was involved in an active role or identified with any constituent group.
- vii. Where the guidelines above do not address a particular relationship, the determination of whether the relationship is material, and whether a Director is independent, shall be made by the Governance Committee. A Director must maintain an independent perspective by maintaining the requirements above for their entire term and any successive term, with exceptions related to their

service on the board as follows;

- a. An Independent Director is excepted from the requirement prohibiting them from holding any governance position with the Corporation or IFAF, provided the only governance position held is their board position or related to their board position (e.g., board liaison to IFAF); or
 - b. An Independent Director is excepted from the requirement prohibiting them from accepting any payment from the Corporation, provided that all payments received are reimbursements for approved expenses reasonably incurred as part of their board duties.
- viii. Any *ex officio*, non-voting members of the Board, including, but not limited to, the Commissioner of the NFL and the CEO/Executive Director, shall not be included in any calculation of the total number of Directors or total number of votes. The Commissioner of the NFL and the CEO/Executive Director are invited to attend and speak at meetings of the Board.

Section 5.03. Tenure. The term of office for a non-Athlete Director shall be three (3) years. The term of office for an Athlete Director shall be four (4) years. Notwithstanding anything contained in these Bylaws to the contrary, each Director shall hold office until a successor is elected and qualifies or until that Director's earlier resignation, removal or death. The Directors shall hold such election as soon thereafter as convenient.

Section 5.04. Term Limits. Each non-Athlete Director may be elected to no more than two consecutive three-year terms. Each Athlete Director may be elected to no more than two consecutive four-year terms. However, there shall be no limit on the number of non-consecutive terms a Director may serve. The Directors may, upon recommendation from the Governance Committee and upon a 2/3 vote of a quorum in attendance at any Regular or Special Board meeting, elect a sitting member of the Executive Committee for one additional (third) consecutive three-year Board term where such election is deemed essential to maintain the continuity of Board leadership based on known or anticipated circumstances at the time of the vote.

Section 5.05. Resignation. A Director may resign by delivering their written resignation to the Chair of the Board. Such resignation shall be effective upon receipt (unless specified to be effective at some other time) and acceptance thereof shall not be necessary to make it effective unless it so states.

Section 5.06. Board Vacancy. Whenever a vacancy exists on the Board, whether by expansion of the Board, death, incapacity, resignation or otherwise, the vacancy of a non-Athlete Director shall be filled by the affirmative vote of a majority of the Directors then in office, and any vacancy of an Athlete Director shall be elected by the eligible voting pool of eligible athletes pursuant to the USAFB AAC Bylaws.

- (a) A Director elected to fill a vacancy shall hold office for the remainder of the unexpired term of his or her predecessor in office, subject to the power of removal stated in these Bylaws.
- (b) In an effort to stagger the terms of Directors each year, the Board may elect Directors to newly created Board positions for an initial term of less than three years.
- (c) A non-Athlete Director elected for less than a three-year term subsequently may be elected to two consecutive three-year terms.
- (d) An Athlete Director elected for less than a four-year term subsequently may be elected to two consecutive four-year terms.
- (e) The election for the non-Athlete Directors must be handled fairly, consistently, and free of conflict of interest, without regard to race, color, religion, national origin, or sex. Procedures for filling a vacancy of the Board for the non-Athlete Directors shall be as follows:
 - i. The Board shall have the right, but not the obligation, to provide the Governance Committee with a written description of the qualifications, skills and experiences that the Board deems beneficial to the Corporation in filling a vacancy.
 - ii. The Governance Committee shall solicit, review and, if appropriate, interview candidates for a vacant non-Athlete Director position(s) and shall recommend candidates for Board consideration. The Governance Committee's recommendations shall include a written description which sets forth the opinions of the Governance Committee regarding each candidate's qualifications, skills and experiences.
 - iii. The Governance Committee shall ensure requirements for Independent Director nominations are satisfied consistent with 5.02(b)(v) and shall request Conflict of Interest Disclosure Forms for all candidates, including Athlete

Director candidates, be completed and reviewed by the Ethics Committee.

- iv. At a duly noticed meeting, the Board shall consider non-Athlete Director nominations, with approval requiring a two-thirds vote.
- v. In the event that the Board does not appoint a non-Athlete Director candidate to fill a vacancy, the Governance Committee shall provide the Board with alternate non-Athlete Director candidates. This process shall continue until vacant positions are filled.

Section 5.07. Board Removal. A Director may be removed at any time, with or without cause, by the affirmative vote of two-thirds of the Directors then in office.

Section 5.08. Amendment. This Chapter 5 may be amended only by the affirmative vote of at least two-thirds of the total number of Directors. (For example, as there are fifteen Director positions, regardless how many Directors there are then in office, at least ten Directors must vote for the amendment).

CHAPTER 6
